# PS143Q

The purpose of Taco' Bout It Tuesday, is to provide all PS143Q Families with the tools, and resources to support their child's academic needs. During this time of blended learning, it can be challenging to navigate through multiple websites, and educational platforms. At PS143Q, we want to support our families! We are now offering "Virtual Parent Workshops" known as, Taco 'Bout It Tuesdays! Taco 'Bout It Tuesdays, are virtual workshops geared to teach families, particularly parents and caregivers, how to use various educational and technological platforms, such as: google classroom, class dojo, think central, and more!
